

Dear Parents,

We are sending this permission note out to all students who are in the elementary age groups and older. These older students will have a break in between their stage rehearsal and the concert while the younger groups are having their stage rehearsal.

The stage rehearsal for the older age groups is scheduled to finish between 1pm & 1.30pm. The earliest they will need to be back is 3pm but please check the concert arrival times attached below to see when your child is required back at the theatre.

I must stress that if your child leaves the theatre they will have not have any supervision from any of the Bourne 2 Dance teachers, staff or helpers.

If you are happy for you child to leave the theatre during their break, without any supervision and without a parent having to collect them, you will need to sign the note below and send it back to us. We will not be letting any students out of the theatre if we do not have a permission note. We also will not let students leave on their own, they must have at least 1 buddy with them.

Alternatively you can come and collect your child and take them out for the break OR your child is welcome to stay in the theatre with the teachers and watch the stage rehearsal of the younger age groups.

If you have any questions about this please contact the office.

Thanks,

Rachel
